

November 2006: Birgunj (Terai), Nepal

## Alpine School

- Class visits with feedback to teachers
- Advising the school board and the principal
- Training a young Montessori teacher
- Setting up and equipping a Montessori teaching room
- Production of Montessori material by local carpenters

On the way to work

Alpine School from the outside ...

... and from the inside!

Production of Montessori material

A fascinated student

Supervising the young Montessori teacher
