

October/November 2010: Lalitpur, Nepal

## Sunrise English Secondary School

- Class visits with feedback to teachers
- Methodology workshops over lunch-time and on free Saturdays
- Advising the school board and the principal

The gate which is never opened

ICT class in theory ...

... and in practice (!?)

Inspiring creativity: "Paper tearing" ...

... or free drawing with wax crayons

Lunchtime!

Kindergarten teacher's workshop ...

... outdoors

Demo class: The Ear, ...

... with an experiment: Directional hearing

The participants seem to have fun

Farewell dinner in the schoolyard
