

October/November 2022

## Darshana English Secondary School, Kathmandu

After our online assignment last year, we were now able to support the school on site. With over 100 classroom visits, several workshops for the teachers and discussions with the school board, we have a good feeling for the future of the school, especially in the area of IT and teaching methodology.

Outdoor computer class with Bipin

New visual aids for science

Workshops for the Upper Level

... and the Pre-School

Demo Class

"Biryani" session with the School Board

School Management: Sushmita and Binod
